**Re: *United States v. Glencore International A.G.*, 22 Cr. 297 (LGS)**

Dear Judge Schofield:

The Government respectfully submits this letter in advance of the sentencing control date in the above-captioned matter, presently scheduled for October 3, 2022, at 3:00 p.m., and the related submission deadlines, presently scheduled for September 6, 2022 (for the defendant's submission) and September 19, 2022 (for the Government's submission). The Government is continuing to engage with Swiss authorities in connection with issues relating to the imposition of an independent compliance monitor and the parties seek additional time for those issues to be resolved before filing written sentencing submissions and proceeding to sentencing.

Accordingly, the Government respectfully requests an adjournment of approximately 45 days of the sentencing control date and related submissions deadlines. The Government has conferred with counsel for Glencore, who consents to this request.

Respectfully submitted,

DAMIAN WILLIAMS  
United States Attorney
